Danville News:—Rev. Chas. E. Powell was in town yesterday. He is now resting up on his father's farm in West Lincoln county. Senator Geo. T. Farris was in town yesterday talking the people "Black" in the face.

The Carriage Journal, published in Cincinnati, contains a good likeness of our townsman, Mr. W. J. Romans. Mr. Romans attends all meetings of the carriage men, and keeps abreast of the times. It would be hard to find a cleverer fellow or better business man than "Billy."

SE. Ford Journal:—"Isn't Christine Bradley just beautiful? And did you ever see a prettier dress?" asked an enthusiastic lady at the hop the other night. We gave a most unqualified assent to both propositions and added that she, as bright as she was pretty and as modest as a little daisy. The honors that have been thrust on the fair young girl are sufficient to have turned an older head, but hers, like her father's, is too level for that, and she is as unassuming and apparently as oblivious of her many charms as if she had not been honored and petted so lavishly. Miss Bradley has been the guest of her cousins, the Misses Warren, since the hop.

The following taken from the Richmond Register, will be read with much regret by the many Garrard county friends of the able and distinguished gentleman: "Col. James W. Caperton, our esteemed fellow citizen was driving along Main street this morning at a moderate gait when the coupling pin broke in his phaeton, allowing the front end of the box to ground, throwing the Colonel out. He struck the pike with his head and shoulder, dislocating the latter and badly bruising his face and head. His injuries while painful are not regarded as serious."

Elder Holton C. Frank orders his copy of THE RECORD changed from Lexington to Poplar Plains, Ky. The brilliant young man is kept busy all the time holding meetings at various points. He promises to be a worthy clip off the old block. This reminds us of a remark we heard a gentleman make the other day. Something was said about the open manner in which the blind tigers were run in Lancaster. The gentleman said, "Well, if one Joseph C. Frank could only return to earth and take up his abode in Lancaster for a week or so, such a scattering of tigers could not be imagined. Tigers and tiger-tamers would catch it alike, and by the time Mr. Frank got through there would not be a tiger within the city limits. Oh, for a Joseph C. Frank to twist the tigers' tails."

Attention Farmers.

We take pleasure in gratifying the farmers of Garrard county, that as usual we will be in the market for wheat, and will buy at all stations on the Rowland Branch L. & N. railroad, and will see that our friends and customers get top prices for their wheat. So make no promises to anyone, but be independent and remember your friends before selling, and see us. We have storage room for 30,000 bushels of wheat, and level of storage will be reasonable. We also will keep on hand new sacks to sell farmers at cost, should they want to hold their wheat.

Your Friends,  
H. A. B. MARKS & SON.
